
The World We Found

by Thrity Umrigar | ★★★★★

NOVEL

In Umrigar's luminous latest, four Indian schoolmates who haven't seen each other in decades are reunited by tragedy. The differences between the women, and between the lives they now live in various countries, slowly melt in the face of

the universal human experiences Umrigar depicts. Wise and absorbing, her novel has the rich, chaotic vibrancy of a Mumbai marketplace. —M.M.
